

Join us as a sponsor and get your brand, APIs, and challenges in front of hundreds of elite, engaged developers

Why Sponsor Developer Camp

Get involved, and discover the impact your contribution can have on a community full of great teams that support each other. Find groups of all ages and backgrounds, and watch their imagination light up the future.

Recruit Top Talent

Connect directly with thousands of highly-skilled developers, designers, and innovators. Many participants are actively seeking new opportunities.

Drive API & Product Adoption

Watch developers build real, functional projects using your technology. There's no better way to get genuine feedback and adoption.

Brand Exposure & Marketing

Align your brand with innovation and community. Gain massive exposure through our global marketing channels, social media, and live streams.

Source Innovative Ideas

Challenge participants to solve your real-world business problems. Discover novel prototypes and concepts that could become your next product.

Sponsorship Packages

We have four Sponsorship levels available plus a Community Immersion Package.

Prize Sponsorship

Contribute \$4,000 to support awards and prizes given to outstanding participants during the event.

Presence Sponsorship

Give \$6,000 to have your brand presence featured prominently at the event venue and materials.

Table Sponsorship

Offer \$10,000 for a dedicated table space at the event, perfect for direct engagement with attendees.

Event Sponsorship

Provide \$20,000 to sponsor the entire event or key sessions, enhancing your company's visibility and leadership.

Community Sponsorship

Support the ongoing community with a \$30,000 sponsorship, enabling year-round activities and programs.
